

# EVENT MANAGEMENT SYSTEM

## EMS\_USER PANEL

The screenshot displays the 'User Panel' window of the Event Management System. The interface features a sidebar on the left with navigation buttons: Home, All Events, My Events, Previous, New Event, Modify, Reporting, User Panel, and Alarm Panel. The main content area is divided into two sections: 'User Information' and 'Change Password'. The 'User Information' section includes input fields for Name (Husain), Age (20), and Email (nultan72@gmail.com), with a 'Save' button below. The 'Change Password' section includes input fields for Old Password, New Password, and Confirm Password, with a 'Change Password' button below. A central cartoon character of a construction worker is visible. At the bottom, there are 'Exit' and 'Logout' buttons. The top of the window shows the system name 'Event Management System', the user name 'Husain', and the user ID '1'.

- In User Panel, user can change his information and can also change his password.
- User can exit easily by clicking on exit button.
- User can Logout easily by clicking on logout button.
