

# EVENT MANAGEMENT SYSTEM

## EMS\_ RE PORTING

The screenshot displays the 'Reporting' panel of the Event Management System. The sidebar on the left contains buttons for Home, All Events, My Events, Previous, New Event, Modify, Reporting, User Panel, and Alarm Panel. The main panel shows the 'Event Management System' header with the user name 'Husain' and user ID '1'. Below the header, there are date selection fields for 'From (Current Date)' (Apr 8, 2015) and 'To (Coming Date)' (Apr 22, 2015), along with search buttons. A table of events is displayed below the search area.

Event Id	Event Title	Event Date	Event Time	Event Colour	Event Description
11	Games	2015-04-08	9:30:00 PM	Red	Games with my fr...
3	Wedding	2015-04-09	2:30:10 PM	Green	Wedding dinner a...
5	Movie	2015-04-22	8:30:30 PM	Blue	Movie tonight at ...

At the bottom of the panel, there are buttons for Exit, Logout, Event Report, and User Report.

- In Reporting Panel, user can generate a report of events on jasper report by selecting dates field.
- User can exit easily by clicking on exit button.
- User can Logout easily by clicking on logout button.
